How to Measure

NECK	Measure around neck, allowing room for two fingers behind tape.
CHEST/BUST	Measure around chest, making sure tape is level at the back. A firm chest measurement should be taken.
WAIST	Make sure the trousers are sitting comfortably, and measure over the waistband of the trousers.
INSIDE LEG	Measure up from the crutch to the top of the heel of the shoe.
HIPS	Measure the fullest part of the hips, making sure tape is level.
