Genesis Teachers Diaries

GENESIS has been producing quality teacher's diaries for 28 years, and available now through Collins Debden are both primary and secondary versions. The well-designed daily planning page (undated day to a page) is supported by other sections including Year Planner, Monthly planner, Term Planner, Staff Meeting, Attendance and Assessment, Student and Personal records.

The spiral bound cover includes a plastic sleeve for loose papers and the adhesive page dividing tabs ensure the diary is an efficient and useful aide for teachers. Designed in Australia by Australian teachers the diaries also include a plastic cover for durability.

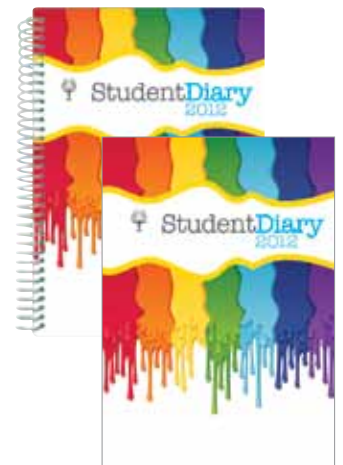

Colplan Student Diaries

THESE diaries are tailored to suit the needs of students from junior through to high school and even further with the SC37 featuring fun covers for 2012.

The SC37 is available in a Spiro-bound polypropylene cover version. Both feature a bright and fresh cover design with a special week on two pages layout, which is easy to use for students and easy to check for parents and teachers.

The SP500 is a Wiro-bound student planner diary in B5 size with flexible but sturdy polypropylene cover, now available in Metallic blue and green. The SP500 has a specially designed layout which caters for both school timetable and homework planning needs.

SC37.C33

WRITERAZE Student Whiteboard

THE ideal teaching aid for the classroom, the Student Whiteboard helps students participate quicker in quizzes by allowing students to write their answer and hold up the board. The Student Whiteboard is also good for slower learners and helps to engage students with learning difficulties such as dyslexia, hearing or sight problems, dyspraxia and other difficulties by allowing them to participate in problem solving visually on the board.

The A4 Board is double sided with a sturdy blue frame. Also available in a double sided whiteboard/ chalkboard! Ask for more details.

Term Planner

THE 11 Week Planner is a school administration and classroom planner. It has lots of writing space for term planning, class trips, assessments and sports or activities and is ideal for the classroom, school office or for heads of department planning. The Term Planner is framed and mounted - 700x1000mm - and will help teachers and students contribute to a well planned classroom.
